NOTICE.

The Board of Directors beg to announce that the Fifth of the Series of Reports, containing Articles on the Cultivation of Fruits, Flowers, Vegetables, &c., suitable to this climate, will be issued at as early a date as possible. These Reports contain a large amount of valuable information, of the greatest use to all who are in any way interested in matters pertaining to Gardening and Horticulture, but especially to those resident in this Province. The want of reliable information on these subjects has been long felt, and very gratifying evidences of the appreciation of the Society's efforts in this direction are being constantly received.

THE LIBRARY OF THE SOCIETY

Now contains a number of Books and Reports of Sister Societies in Great Britain, the United States and Canada; and having arranged with the Natural History Society for the use of a Room in their Building, on the corner of University and Cathcart Streets, the same will be

OPEN TO THE MEMBERS OF THE SOCIETY

ON

TUESDAY AND FRIDAY EVENINGS OF EACH WEEK,

FROM 7.30 TO 9.30 P.M.

Some of the Books will only be permitted to be used as books of reference, but others will be Loaned the Members, subject to the Rules of the Association. Further contributions of Books are respectfully invited from all persons interested in the objects of the Society.

All Subscribers of \$2 Annually will, in addition to their Tickets, be entitled to a copy of the "Illustrated Agricultural Journal," published Monthly; also to one copy of the Annual Report of the Society, published Yearly.

Rules and Regulations.

1. All specimens placed in competition for premiums must be *bona fide* GROWN BY THE COMPETITOR OR EMPLOYER; and, if proved not to be such, the competitor to be disqualified for receiving any premium whatever at the Exhibition.

2. All plants, flowers, fruits and vegetables must be carefully labeled with their proper names.

3. All articles to be exhibited for premiums must be placed on the stands by twelve o'clock, noon. *This rule will be strictly adhered to.*

4. All articles exhibited shall remain in the Building until the close of the Exhibition, when they will be delivered to the contributors, unless otherwise directed.

5. The Judges shall have the discretionary power of withholding premiums, if, in their opinion, the articles exhibited do not merit them.

6. In awarding premiums on plants in pots, special reference will be had to the beauty of the specimens, profusion of bloom and evidence of superior cultivation.

7. Dissimilar shall in every instance be held to mean distinct varieties or species of any plant.

8. Gratuities may be awarded by the Judges for any new or rare fruit, flowers, plants or other objects of particular interest, and for which no special premium has been offered.

9. Parties will not be allowed to compete for more than one prize in the same section, and no article which has already been awarded a prize will be entitled to another.

10. No individual, except the Judges, will be allowed to touch or handle any fruit, flower, or other article exhibited.

11. The decision of the Judges, as regards the premiums, must be considered final.

12. The Judges shall not be competitors in that class for which they are to award premiums.

13. While the Judges are making their awards no person shall be present except parties not in any way interested, who must be appointed by the Directors.

14. Any deviation, more or less, from the exact quantities or numbers specified in the schedule, will disqualify a competitor.

15. All Exhibitors in the classes for bouquets must have them of such a size that they can be shown in the vases provided by the Society. No other vases will be permitted to be used.

16. Pot plants must have been grown in pots at least two months previous to the Exhibition, and have been also the property of the Exhibitor for a similar period. If proved not to be such they will be disqualified.

17. In order to allot the space required in each section, all entries must be made in writing, and subscriptions paid not later than the Thursday previous to the opening of the Exhibition, after which date no entries will be received.

18. The Society will not be responsible for damage done to plants, during or after Exhibitions, but all ordinary care will be taken of them.

19. Any person residing in the Province of Quebec may become a member of the Society on payment of an annual membership fee of two dollars, for which payment he will receive a ticket of admission to the Exhibition for his own use, and four single admission tickets. Also, a copy of any reports published by the Society, and will be permitted the use of any of the books of reference in the Society's library.

20. Any person residing outside the Island of Montreal, but in the Province of Quebec, will be permitted to compete for any of the prizes offered by the Society, on payment of an entrance fee of one dollar. A ticket of admission to the Exhibition, for his own use, will be furnished free; also, copy of Fruit Report and Journal.

21. The Secretary shall not be *obliged* to receive any entries not made in writing, blank forms for which will be furnished on application to the Secretary. Parties living at a distance may make their entries by mail.

22. Cards corresponding with the entries will be furnished the exhibitors, who alone will be responsible for the placing of them, and are requested to satisfy themselves that the cards correctly describe the objects exhibited. The Society cannot be responsible for any mistake arising from the non-observance of this or any other rule.

23. A Committee will be appointed by the Society to assist in naming fruit about which Exhibitors may be doubtful, but the Society do not assume any responsibility in the matter.

24. The Society will, under no circumstances, pay cartage on plants sent for competition. Cartage, however, may be paid if deemed advisable on plants sent for Exhibition only.

24. Prize Lists and all other information may be obtained by applying to the Secretary, and all persons interested in Horticulture are invited to contribute articles for exhibition.

Special Notice to Intending Exhibitors.

All entries to be made in writing, and all subscriptions paid not later than the Thursday previous to the Exhibition, after which date the Entry Book will be closed.

Parties living at a distance will please send their entries to the Secretary, accompanied by their subscription (see rules 17 and 18) by mail, on or before the above date.

Competitors in the classes for Collections of Plants or Fruits will please state, as nearly as possible, the amount of space they will require in each section, on a table $3\frac{1}{2}$ feet wide.

Exhibitors will have the privilege of selling any articles exhibited, at auction, or by private sale, at the close of the Exhibition, paying the Society a commission of 10 per cent., which will include the Auctioneer's fee on all articles sold.

All communications addressed to the Secretary, at the Office of Wm. Evans, Seedsman, Montreal, will receive prompt attention.

HENRY S. EVANS,
Sec'y-Treas.
